The Lady:

Attractive, 20 something, reportedly Eastern European but in appearance can also pass for Central European, black hair, average height, slim build with large enhanced breasts, fully shaved, unblurred photos on her profile provides an excellent impression of what to expect, good command of English.

The Story:

Elena's unblurred photos on her profile caught my eye when she first joined HoD and her list of services put her straight onto the must see list as I'd reckoned she'd provide a really good gfe. And I was to be proven correct.

When she entered the room, a couple of minutes after my arrival, she was very much how I imagined her to be. The introductory kiss was fk and then we moved seamlessly into an icebreaking chat. She seemed keen on conversation which I put it down to her naturally friendly nature rather than any timewasting tactical act.

Mindful that time really flies during 30 minute bookings, I had to cut this short and instigate the action enjoying plenty of enthusiastic dfk, owo, frottage concluding with missionary sex (covered) so I could continue with dfk until I came inside her. An unexpected bonus was her repeatedly licking my neck and ears which really fired me up but it's not something that many other ladies do and I don't like to ask. Another unexpected bonus was receiving a few sincere sounding compliments from her.

As always, I timed my climax for 5 minutes before the end of the booking to give me chance to catch my breath and then dress at a leisurely pace. Lying together in the afterglow, Elena started to chat until I suddenly became aware that my time was about to run out and I had to frantically dress before the dreaded knock on the door.

30 minute really wasn't long enough to enjoy Elena's talents to the full. It says on her profile that she does anal at an extra cost and as this is not something that I've done much of, I can see myself seeing her again in the not too distant future to try it out.
