### The Premises:

A very clean and fit for purpose massage parlour. Discrete with large car park directly outside. Hot shower , shower gel and clean towels in each room. Met by a receptionist who got me a glass of water (other hot and cold drinks on offer) before Jayda arrived.

### The Lady:

Jayda looks very good both in and out of her Tunic "uniform". Long blonde wavy hair, strong athletic body with lovely breasts, a very arousing sight!

### The Story:

Extremely erotic! This was not just a happy ending massage, but a full on B2B massage by a beautiful girl. Started on my stomach and a very good massage of back and legs, her hands paying sufficient attention to the crease of my bottom and balls to get me excited. Then she climbed on top and rubbed her body up and down my back, bottom and legs, quite thrilling.

I was then asked to turn onto my back and again a massage to my whole body with oil, but a deal more attention to my cock and balls, she was looking at me and smiling, she slid up and down my body and I was able to play with her body and breasts, eventually ending with a good deal of attention to my cock till I reached orgasm, even then she continued till I was fully drained. I shall return!
