The Lady:

Camille is gorgeous as we all can on her profile photos but best of all she is the best company ever very intelligent girl.

The Story:

I met the gorgeous Camille for an out call. We have met on a number of occasions before and her service just gets better and better. Camille is a genuine and kind person.

We began our session by her asking some specific questions about any issues I might have been having and anything in particular she should focus on. She then set about an all-over body massage that lasted about 90 minutes. Camille mixes various techniques like Swedish, Thai and deep tissue together with reflexology and lymphatic drainage. She is clearly a master practitioner who genuinely wants to "heal" and help. It was a very moving experience and I left reinvigorated, indeed rejuvenated.

Camille is living proof that two people can have a professional encounter to their mutual benefit that is neither seedy nor abusive. An all-round fantastic service that I would have no hesitation in recommending.
