### The Premises:

Clean, comfortable premises with ample free 2 hr parking spots adjacent. The most difficult thing about an appointment at Ego for me is choosing who to see as all the ladies I have seen here have been exceptional and I would gladly see again.

### The Lady:

Stunning, tall, tanned brunette, great long legs, peachy bum, fantastic 32FF natural breasts with perfectly shaped nipples. Looks amazing in the uniform and even better wearing just a pair of black hold ups.

### The Story:

Face down on the couch as Jess began gently running her fingers over my back, legs, shoulders and arms with a detour to run her nails on the inside of my thighs producing an instant effect on mini me. Oil applied and could feel Jess's ample breasts being rubbed all over my back, bum and legs before some oil was dripped on my bum and ran down to my balls and cock followed by Jess's fingers which stroked and caressed me. Turned over and could admire Jess and stroke her as she moved around the couch. Bent over me from the top of the couch so that her pussy was inches from me and those magnificent breasts were on my chest and a nipple found its way into my mouth for a suck. Lots of attention paid to cock, balls and bum and more b2b with Jess rubbing herself against me and cupping my cock between her breasts. Copious amounts of oil applied to my cock as Jess held it in both hands and gradually worked me up to a fantastic happy ending. Great appointment with a very sexy lady.
