The Premises:

Amelia's flat was very conveniently located, a few minutes from the tube station. She gave me very helpful directions! It was smart, spacious and clean.

The Lady:

She was very tastefully dressed, in a figure hugging black dress and heels. Her pictures do not do her justice – those curves are to die for!

The Story:

We'd been in touch for a few weeks before meeting, and I felt like she took great care to make sure we'd arranged everything perfectly.

Once I'd arrived, we spent a while chatting and getting to know each other, which was perfect for me. She is a very charming and warm young woman, and I immediately felt at ease. Eventually, Amelia suggested I take a quick shower, and we moved to the bedroom.

I won't go into details about the rest, except to say it was a fantastic experience. She clearly is a passionate and talented woman, who loves what she does.

Throughout our time together, I felt I was the complete focus of her attention, and the time was unrushed. I look forward to seeing her again!
