### The Premises:

An easy-to-find hotel between East Croydon train station and the town centre. Standard en-suite room that was fit for purpose. Coming and going was straightforward and didn't attract any attention.

### The Lady:

Sara's AW profile is accurate. She is a very good-looking 50 year old from Nottingham who was visiting Croydon. She is friendly and relaxed and conversation flowed easily. Despite her age, she told me that she is fairly new to escorting. She is a smoker.

### The Story:

I called Sara in the afternoon to make an appointment for the evening having liked the look of her AW profile. She told me the name of the hotel that she was working out of and asked me to call her when I arrived at the arranged time. I arrived on time and called her and she answered straight away and gave me her room number. I went up to her room, knocked on the door and she let me in.

I was greeted with a passionate kiss on the lips. After completing the paperwork, we both undressed and moved on to the bed. There was lots of DFK as she played with me cock before giving me an excellent BBBJ. After that I returned the favour by playing with and licking her clit and breasts. Then it was condom on and a good long shag in the cowgirl and missionary positions. All very enjoyable and Sara clearly enjoyed herself too.

With time almost up Sara finished me off by hand. It was a bit disappointing that she was clock-watching although in fairness my time was almost up as the time had flown by. After coming over her I freshened up and went home very satisfied. I'll certainly see Sara again when she's in the Croydon neighbourhood.
