### The Premises:

HOD3 is very nice location. Clean flat with ensuite bathroom. Very close to station.

### The Lady:

Young and pretty, beautiful long blonde hair, slender body, innocent girl next door type, a lovely smile that would put anyone at ease.

### The Story:

What's the sign of really great sex? You cannot stop thinking about it even days after and it still puts a smile on your face. That was my experience with Vicky having visited her twice in a month.

Admittedly I am one of those nervous type in bed. But Vicky offers such amazing GFE - her smile and charming personality immediately helped me relax. And the sex was amazing. She has great technique and made 110% effort to please. At the end of the session I really felt like i was spending quality time and sharing pleasure with a lover.

Sidenote to anyone reading this: be sure to let her get on the cowgirl position which is her favourite - watching her sexy body wiggle on top is the sexiest thing ever. :)
