The Premises:

A well known house in Fenny Stratford on the outskirts of Milton Keynes. Maid reception, clean rooms with shower facilities available.

The Lady:

Small, slim petite attractive English blonde.

The Story:

She had had problems with transport getting in and so my 12pm appointment was moved to 12.30, and when i arrived she was running late so it was a 12.40 K.O, all explained by the maid and not a problem for me, I explored a very bizarre "antique" shop close by while I waited.

Her oral skills are so good that we "finished" well inside our allotted time.

Good snog to start with, caressing each other's bodies, before I moved down between her legs, she seemed to enjoy this a lot, we then kissed and cuddled a bit more before she said do you want oral, I said yes, and with the stud in her tongue it only took 3 or 4 minutes before I was done, She takes it all in and swallows.

We chatted nicely and easily for about 10 minutes and then I got dressed and left.

Very nice way to spend half an hour!
