The Premises:

I visited Alana a few times and all have been stylish clean flats with ample parking and a shower available.

The Lady:

Alana is a beautiful slim young lady with a captivating smile and deep eyes that you can get lost in.

Her photos are accurate however she has become even more attractive since they were taken.

The Story:

I like to have the girlfriend experience when I visit a lady and Alana didn't disappoint. She was comfortable cuddling while having a chat, and idly ran her hands over me throughout, which feel great. Anyone who has read my reviews will know that my little man doesn't always want to play, and although he was a little temperamental; she easily managed to get his attention.

She then suggested that I go on top, I gladly accepted and even then the gfe didn't stop; with her telling me what she liked, I truly lost myself in the experience. Alana felt so good that I could last enough for her to climax, so I went down on her afterword to give her some pleasure as well.

After some more cuddling and a chat, it was time to go. A perfect end to a great experience.

I can't believe this lovely lady hasn't got a lot more reviews, as I for one would heartily recommend her.
