The Premises:

Very discreet, just an open doorway in a parade of shops that have seen better days. Looks a bit shabby until you go in and up the stairs to be greeted by a pleasant, very efficient receptionist. The rooms seem clean and are a decent size with double bed, some mirrored walls and en-suite showers.

The Lady:

Wow. Not only does Jasmine have a body every bit as lovely as her photos suggest, she is stunningly beautiful, with lovely olive skin and the air of a woman who knows she can wrap any man around her little finger.

The Story:

I'd hardly started to undress when she came into the room and I knew at once I was on to a winner. I greeted her with my full knowledge of Portuguese - "Bom dia, como estas?" - to which she responded with a lovely smile, as if she hadn't ever heard that before, which was nice. Thankfully, though, she speaks perfectly good English.

She asked for payment up front, which sorted the business matters out early on. If you like a full GFE with all the letter combinations you want, then it's all in the standard price, with an extra £40 for anal.

I settled for my standard reverse massage, OTK spank, oral with, and sex.

Goodness me, as soon as I started to massage Jasmine I wished I'd booked her for longer. I'd kissed and caressed every bit of her, saving the best to last with her utterly gorgeous bottom. Michaelangelo, Leonardo da Vinci, Rodin, Botticelli...they never created such a thing of wondrous beauty. I kissed it, caressed it, licked it, stroked it, squeezed it, buried my face in it, gazed at it in awe. If I'd had the right budget I could have played with it all afternoon.

The one thing I couldn't do with it was give it a proper, good spanking, because she called time on that even before I'd gone through the gears, but I couldn't be too disappointed because we were straight into her oral repertoire, which was as good as I expected and included some nice eye contact when the position allowed, before the main event.

If there's a better way of getting some good cardiovascular exercise than having vigorous sex with a beautiful, busty Brazilian babe then I've got to discover it. After a good session of missionary

Jasmine took the initiative and turned over for doggie-style, the highlight of which was a spell when she did all the work, sliding herself back and forth with terrific gusto until I could feel the finishing line approaching. A final, brief, hard bulling brought things to a very satisfactory conclusion. Quite superb.

I shall certainly visit Jasmine again, for longer next time, and would recommend anyone to do the same. She is beautiful, exotic and thrilling, and not to be missed.
