The Premises:

Their apartment is easy to reach. There is free parking within a few minutes walk. The apartment is clean, tidy and well furnished. There is an immaculate bathroom.

The Lady:

Evie and Sacha are both blonde, about 5'4" and 5'7" respectively, good looking and well groomed. Their make-up, nails and hair are faultless. They dressed to impress, Suzi in a white silk blouse and a tight black skirt, and Rachel in a dark grey wet look dress with a full length zip down the back. Their profile pictures are accurate. They are a pair of stunners. Both ladies are very warm, friendly and outgoing. I received a very warm welcome from them. They provided an experience which exceeded my expectations, and I want to repeat.

The Story:

This review is of a duo session that I had with Evie and her girlfriend Sacha.

We had a lot of fun together. We all indulged in lots of kissing, embracing, fondling, oral every which way, and fabulous sexy fun.

I spent a magical hour with these two gorgeous, sexy, engaging blondes who are great fun and are clearly into each other in many ways! At times I sat back and watched as they enjoyed themselves, sometimes I had the sole attention of either Suzi or Rachel whilst her partner made filthy suggestions which we acted on, and towards the end, when we were all warmed up to boiling point, the ladies were doing a double act on me as the object of their attentions. I spent the hour finding these ladies' buttons and pressing them. The fun was discovering that they each enjoy different things. My time as a spectator was not wasted at all because I could see for myself what made each lady hot and horny, giving me a clear idea of what I should do when I got the chance.

Both ladies are stunningly good looking, very tactile, and great kissers. At one point I found myself lying between them, our arms and legs entwined around each other, and as I surfaced from a long passionate kiss with one of them, the other would then follow on with another wet DFK. At the same time as one was stroking my cock the other was fondling my balls or else her fingers were wandering elsewhere between my legs.

At one stage, I was presented with the wonderful sight of two bottoms in the air and a pressing instruction to "fuck us doggy style". Whilst the ladies caressed and kissed each other I was able to enjoy myself to the full. The high point was being told to, "Cum on our tits". I had to oblige them, my

efforts being greatly appreciated.

A fantastic hour with two fabulous women. Highly recommended.
