The Story:

This was my first ever 2 girl. I have seen Maria many times but I was new to Robyn. Both girls are very chatty and are good friends so I was put at ease straight away. Maria was looking stunning in red bra, stockings and suspenders. Her hair is now back to dark brown/black which accentuates her smouldering brown eyes. She really is beautiful! Robyn had her hair tied up and was wearing a sexy black all in one number which looked fantastic. She has gorgeous bum as well. The girls came in after I had showered and Robyn gave me some proper DFK to set the mood for the session. I wanted to see some proper lesbian stuff so they settled on the bed and snogged each other. Maria lay between Robyn's open legs and tongued and licked her shaven pussy while gazing at me! Lots of moaning from Robyn who seemed to be really enjoying herself. Maria can snog for England and this was no exception! While Robyn sucked my balls, Maria snogged my face off and wanked my rock hard cock. I was in heaven! They indulged in a full on snogging session with each other for a while and I just watched. Bliss! Robyn then applied the rubber with her mouth and stuck her arse in the air. I entered her doggy and Maria continued snogging me and watched my cock pumping away in Robyn. Robyn put a finger in her own arse to feel my pounding dick. Maria all the time was snogging and giving encouragement! It was utterly fantastic! I really was desperate at this point to lick Maria out so we changed positions and I got to work on Maria's beautiful shaven pussy while Robyn sucked my covered cock. Maria tasted divine and I could literally stay there all day! Robyn left after half an hour and me and Maria continued our fun together. I licked for a good 10 minutes until Maria came all over my face. She tastes divine and it was a genuine leg shaker orgasm! We then had a delicious twenty minutes of fucking in multiple positions. She really is my idea of heaven: gorgeous face, beautiful body and such a genuinely lovely girl. We did it mish, reverse cow girl (one of her specialities), doggy with legs closed and lying down and then doggy with her kneeling on a chair in front of the mirror. What a view! We finished off on the bed in doggy then I pulled off the

condom and jizzed over her ample boobs! What a session! We had a shared shower which is always nice, more DFK and a chat and a laugh before I left feeling slightly wobbly legged but very happy! Highly recommended!
