The Premises:

Basement flat a few minutes walk from Victoria station.

Clean and tidy, nicely furnished and decorated.

The Lady:

Slim but not skinny, with curves in the right places. Eastern European but fluent in English with a sexy accent.

The Story:

I was shown into the front bedroom by the maid and Gemma appeared a few minutes later, wearing a tight-fitting little black dress. We started by kissing and fondling while standing up by the bed, and after a few minutes Gemma started unbuttoning my shirt. She commented that men were much more difficult to undress than women; a theory which she proved by slipping out her dress revealing a complete lack of underwear.

We moved onto the bed and continued through a menu of kissing, OWO, RO, missionary, and leading to a climax while she rode me in cowgirl position. All in all a very nice GFE session.
