The Premises:

An upstairs flat with shower facilities about a 15 minute walk from Woolwich Railway station. It was clean inside and the entrance was reasonably discreet.

The Lady:

An attractive and friendly, dark haired Hungarian girl with lovely D cup natural breasts and large areolas.

The Story:

This was a massage and relief service. I had a shower first and then laid down on the bed. The massage with warm oil was reasonably OK without any sensual strokes. The finale was very enjoyable. Annabelle's breasts were very full and her areolas are very large. Her breasts were natural, firm and pleasant to suck. She stroked me slowly to a very satisfying climax.
