The Story:

Another girl taking my fancy this week. I was in the area visiting a friend and found Pamela lived close by, so arranged to go round a couple hours later. She lives in a 2-bed flat which is spacious, clean and smells good, no complaints there. Pamela greeted me and offered me a shower, which I took. I asked her to join me but she had already had one, disappointed but fair enough. When I came back in she was already naked and looking sexy as hell. She's got massive tits, a great arse and curves for miles. A total blonde bombshell. I don't see how any guy couldn't want to bang her. Blow jobs are insanely sloppy, just how I like it. She really knows how to handle a dick and is an animal in the sheets! These girls really know how to keep me coming back! Treat yourself ;)
