The Premises:

Directors lodge is a house off a main road in Pinxton just off the M1/A38.

The Lady:

Long black hair. Early 30s . "BBW type" Large natural tits. More overweight than the photos on website suggest.

The Story:

Overall a slightly disappointing experience. Started off reasonably well but felt in the end that she just wanted to get the whole thing over with asap. Didnt even take her underwear off.

115 notes for 45 minutes of hand relief is a bit steep to say the least. Played with her nice big tits for a while and that was the only positive I can take away.

Wont be going back im afraid !
