The Premises:

The Lady:

Portia is tall, slim and very pretty. Stated age is 21.

The Story:

Slightly awkwardly, arrived at the flat at the same time as Portia! She looked like a young lady on her way to college. Anyway, waited in the bedroom while she stripped off and then came in.

As soon as I handed the money over, we were entwined, kissing like long lost lovers. Portia is probably the best kisser in MK that I've experienced, even more so than Ruby, my previous best. The way that Portia puts her arms around your neck and draws you in..... I felt like a college lecturer who had got lucky with one of his female students who had a big crush on him!

After our extended DFK session, was treated to a warm, soft blow job from Portia. Then more kissing in front of the mirror... Wow, she's good!

Then it came the time to bang this beauty, I had to choose mish, so that I could kiss her senseless, while emptying my balls .

Now a little more about Portia. Her stated age is 21, but she looks even younger, so that she could pass for 18 or 19. She's just arrived from Russia, but speaks fairly good English. But her best facet is that she is so sweet, innocent and polite. I really felt protective of her. She's brilliant and I think she will be very popular.
