The Story:

I think this is my fourth visit to Dollar, but the last time was almost a year ago. Dollar appears to be even more beautiful (I thought she looked like Selena Gomez), and with bigger boobs. Perhaps she was still growing from last time! But I'm not complaining!

What followed was the usual kissing, owo and then fucking. Unfortunately, I wasn't able to cum, but I had fun trying! We tried a variety of positions and then Dollar was disappointed that I hadn't cum, so she tried a hand job, followed by more of her lips on my cock and balls. But nothing worked. Bless her cute Eastern European boobies for trying.

Dollar also introduced me to her new friend Jess. Now she seemed to have a great, slim but big boobed body like Serena. I think she's next on my list! I love living in MK!
