Hot, young, little, good body but small tits. Eastern European so bad English. Dresses up!

The Story:

Mayra is hot young girl and easy going. The only issue I've got is that she rudely kept me waiting for more than an hour after our agreed time. It put a bit of a downer on my afternoon, but still she's good at what she does. I read on her profile that she's into dressing up so I requested with her via text before that she wear a sexy uniform. She did just that when she arrived to mine in a nurses outfit. She was wearing this hot little number under her long coat and played her part well, definitely taking care of me like a good nurse should ;) Great blow job skills, a proper goer in the bedroom and fairly open minded to what I wanted to do. Would be great if these girls were on time though. Also her tits are quite small for my usual type and her English is limited. But I'd still recommend mayra to others, just not again for me personally.
