The Premises:

Usual house next to Ego Massage. I had the downstairs bedroom.

The Lady:

Tall, mixed race lady, with a beautiful face, big boobs and an ass to die for!

The Story:

First thing to mention is that this house has four bedrooms, but there were seven girls working today! I was in the kitchen for the first five minutes with three of the ladies. New girl Celine looks fantastic!

Anyway, after being shown to the bedroom, was joined by Dominique. First I thought that Beyoncé had walked into the room!! She told me that she used to work at Sandys in Manchester.

Started off with some kissing, standing up in front of the mirror, with hands going round to cop a feel of that big, curvy ass! Then retired to the bed from receive some owo. Her lips are so wonderfully thick, it was great seeing them kissing my cock and balls! And great lying there, with one hand running itself over that ass!

Then onto fucking this young lady. Started off with doggy, with Dominique carrying out some great twerking on my cock! Then after a while switched to missionary.

She's a great girl, very erotic and energetic. Enjoy!!
