The Story:

Wow! Very impressed with my selection. I've seen a lot of the well known girls over the years Pixie, Michelle, Ella, Ruby etc but have never bothered reviewing mainly because I lost the login details to my old account.

So I decided to set up a new account to review Nicola, firstly I never normally see a girl more than once but with Nicola I think I'm gonna make an exception to that rule!

Exchanged paperwork & began to explore each other's bodies, she has got a body that just needs to be admired got her in front of the mirror & started exploring her gorgeous body my cock was getting hard & pressing into her. She doesn't mind you touching her which is a real turn on & plenty of kissing.

Nicola then went down on her knees & started sucking me off in front of the mirror (just be mindful she doesn't do cim) plenty of eye contact & kissing between sucking my cock.

By now I just had to get her onto the bed. I got on & Nicola sat on my face whilst sucking my cock, heaven!

I needed to fuck her so on with the rubber & mish sex until I could hold back no longer.

Quick clean up, massage & round 2. Sex in a number of positions, loved fucking her from behind in front of the mirror with her pushing back against me. Finished on the bed covered blow job. I will be back.

A very pretty girl who aims to please.

Nicola if you read this (we talked about what made me choose you) here's another positive review for you.
