The Premises:

Very smart address and location, well furnished interior. Easy access by car or public transport.

The Lady:

Blessed with very generous physical qualities. No mistaking this is a lady, with so much to explore. Intelligent conversation, attentive eyes, and responsive to requests.

The Story:

Unhurried body on body massage, before she prepared to position herself (as requested) to open her deep red lips onto and down my throbbing member. The sight of her performance and the sensual thrill brought the inevitable danger of an early release, so on with the raincoat as she presented her glorious bottom for classic doggy. Penetration was quickly followed by the delicious rush of ecstasy . A woman who gives a man such pleasure obviously comes highly recommended.
