### The Story:

Really publishing this as a warning to potential punters.

Delicious Sugar has 50 plus positive reviews, so I was looking forward to a positive experience however turned out to be one of my most disappointing punts.

Pleasant enough at cash handover requested me to have a shower, I obliged all went down hill from there lay on the bed vigorous owo hand assisted I requested her slow down as I prefer slow sensual, she carried on oblivious of my request, I asked again this was met with " you have to much pre cum" on with a condom. I thought I would change things tried to give her some oral nice clean taste but zero response I asked about some of her stated services rimming, prostate massage, received a definite No.

cock now going limp finished by hand and uninspiring sex. Back in the car after 20 mins I don't understand how she has so many positive reviews unless she has adopted another girls profile since my visit Saturday she has received 2 negative feedbacks on AW!!!
