The Lady:

This was my second time at Ego. I saw Mia last time who was wonderful and very sensual. When Jayda appeared I was immediately struck by her height and athleticism. However, facially though she appeared very different to her profile photos.

The Story:

Being first in the morning the room was rather chilly. After a peck on the cheek and a quick discussion, the paperwork was dealt with. Jayda took off her robe to reveal a nice red bra and knickers, which she quickly took off. With me on my front she started on my legs and then moved up to my head, giving me a great view of her smooth pussy. I explained that I was nervous and sometimes had a problem with ED, hoping that she would pay attention to the old fella. Overall the massage was disappointing. When I turned over there was lots of body sliding and I was able to handle her great boobs, however, she didn't touch my cock once. I left feeling rather deflated, to coin a phrase! I chose Jayda based on her reviews but certainly won't choose her again if I do go back.
