### The Premises:

A house in Central Milton Keynes near the main shopping centre, and close to the previous main locations for Annabella's Escorts.

Parking available nearby.

### The Lady:

Laura is an attractive English girl. Perfect body - about size 10 with lovely boobs and darkish hair. She was very easy to recognize from her very good photos. Her face is now blurred in the photos, but was shown until very recently.

### The Story:

After enjoying the Christmas "Winter Wonderland" in the shopping centre, I arrived a minute or so early.

Laura answered the door and we told each other our names. She showed me to a nice room on the second floor, and chatted while going up the stairs. The temperature in the room was perfect. She asked if I would like a drink - I asked for water - and she quickly returned with it.

Then she asked me what I would like to do : I told her kissing/cuddling and oral on her. She seemed very happy with these suggestions.

We started with some lovely standing kissing with tongue-to-tongue action all the time while I cuddled her and gently touched and played with her body. This started before I was fully undressed, then she slowly undid the buttons on my shirt during the action.

When fully undressed I got on the bed with her. She took off her bra, revealing lovely boobs. More kissing as before, then I licked her boobs and played with them with my hands. She really enjoyed this. Then she took off her knickers, leaving her completely naked. She slowly moved forward, kneeling on the bed, and lowered her pussy over my face for me to lick it with her hands against the wall. This lasted for some time and she made plenty of moans of pleasure. She obviously enjoyed it : I am not certain that I made her cum, but I hope so -she certainly deserved it! She gave me some lovely oral without, before putting on a condom for sex. She mounted me on top for some slow

gentle sex with her facing me - just as I like it. She soon made me cum. Really lovely.  
Another kiss before I left.

I got on very well with Laura. I felt very compatible with her. There was never any rushing.

With this experience, and looking at her other reviews, I think that Laura is clearly one of the very best girls! 10/10.

Thank you Laura... I hope I will see you again soon. xx
