pleasant flat, clean and tidy with a nice smell of candles.

### The Lady:

thickest hair i have ever seen! great body lovely smile and although her English wasn't perfect we could have a pleasant chat

### The Story:

Nina was chatty up to a point but very welcoming and smiley too.

we chatted for a bit and I had my hand on her leg, she had on a sexy black dress which didn't leave much to the imagination. before long my hand was crawling up under the dress. she could see I was aroused and popped it out and went to work on it through my fly. before long she had my trousers off and boxers too and went to work on my cock. She was an expert sucker, so good!

my shirt came next and as we kissed with full tongue I undid her dress and it fell to the floor to reveal an amazing set of black lacey underwear.

I ate her pussy through the lace and with it pulled to the side. soon i was ache to bury my cock in it and laid on the bed she rode it hard before i finished off from behind.

sexy woman sexy time. defo recommended.
