Nice flat in an anonymous block of flats. Parking there IF the gates are open, otherwise it's a bit of a challenge.

### The Lady:

Gorgeous petite Thai babe. NOT the one in the photo's on AW but in my opinion, better looking. A cup boobs and smooth, flawless skin. No tatt's or piercings!!

### The Story:

This was my second time to see "Holly" although she tells me her name is Cherry.....?? In any case, she greeted me by jumping into my arms and kissing passionately. We got the paperwork out of the way and she came back in to continue with the kissing / licking and stroking which I like so much. After a while she tugged off my jeans and took me in her mouth, slowly and shallow at first and working up to getting the whole of my cock down her throat. How she does that is beyond me - given the size of her (and me) the head must be in her stomach! My turn so I got her on her back, legs spread so I can lick and finger her. She loves this and is really appreciative so we continued for quite some time. I think she had a couple of small orgasms but either way, she really enjoyed my tongue. Onto the sex: We tried a few positions before settling into a nice comfortable spoons one, me stroking her gorgeous ass and kissing her neck whilst sliding long, deep and slow into her very wet and very tight pussy. When I did come, she made no attempt to pull out, just purred and wriggled her ass on my softening cock.

Cherry is simply one of the best, most natural, gorgeous escorts I've ever seen. She's cute, slightly submissive and funny. English is good enough (better than my Thai anyway). She'll take good care of you if you're clean and considerate. She really is tiny though so be gentle with her. Highly recommended.
