### The Story:

This report is a little strange,in that I've seen Leah 3-4 times & on the whole have had a pretty good time.Well not this time.Got to CE FOR MY 5.30 appointment a little early but shown straight into the room.Met leah in reception Had a shower & waited.By the time she comes into the room its 5.40 & I know what they're like @ CE.There'll be a knock on the door @ 6.30.Not a good start!! Anyway into the room & straight away you can sense that she doesn't wanna be here One word answers,abrupt,everything I'm saying is wrong,telling me she's tired.As for the massage,its just her prodding my back & absolutely no attempt to even tease me.Afer 10 minutes of this & she hasn't even asked me to turn over.I've tried to lighten the mood but now she's just ignoring me.Now I'm not saying she actually has to like me a little but FFS show some enthusiasm.After 10mminutes of this I'd had enough & the thought of spending the nxt 40 minutes with this miserable prossie did fuck all for me or my cock.Told her this weren't any fun & best I cut it short & in true mercenary WG style she comes out with"well you cant have any of your money back".Maybe it was her way of putting me off from seeing her again because tbf I've given her a right good pounding b4 or maybe she thinks she can take me for granted Whatever.....definitely not seeing her again.Makes you realise how lucky we were when SS was still around
