### The Premises:

Basement flat on Warwick Road literally a few doors from tube exit (Warwick Road side). To be honest it was a bit untidy generally and her bedroom is basic with no character or music to play, but a big mirror against the wall gave bonus views! Bathroom was clean but basic, and there was no invitation for her to join me or assist.

### The Lady:

Indie is very like her photos, has that dark tanned skin typical of a lady from south Thailand (she has been a bar girl in Phuket), flawless slim body a bit slimmer than her photos, and a pretty face, I would say more attractive than most of her photos on the website. She is mid twenties and comes across younger in her personality. Her English currently is very limited, but she tries her best.

### The Story:

On arrival she was dressed in a one piece latex outfit that really showed off her figure, and she greeted me with a friendly smile. She then undressed me immediately, asked for her money, and sent me to the shower - nothing wrong I guess but did nothing to put me at ease like other thai ladies on this site. On returning she tried some conversation but she understood little or nothing I said to her, and became a little silly and immature, which became irritating and bordering on time wasting. I normally just go with the flow rather than cause any kind of scene but I did say I would leave after 30 minutes or so, unless she started focussing on the services offered. She must have understood the word "go" as she changed her demeanour immediately, and we then enjoyed 90 minutes of passionate dfk, owo and a few other fun things before finishing with fantastic sex in cowgirl which was alas very brief as he had taken me to the edge much much earlier!

I have recommended her for the last three quarters of the 2 hours we spent together but I had only booked an hour I would have left dissatisfied. Hopefully it was just a bit of inexperience and naivety so I would revisit subject to future reviews submitted.
