### The Premises:

smart terraced house on posh safe street opposite pub.

Spacious sparse room with great bathroom

### The Lady:

short mid 30's thai lady

cute body with nice curves

### The Story:

I have to start off by saying this is a late review as i have been keeping a few favourites under wraps but have to post for the sake of the game.

This lady is not in london often but when she is she is for me a must see. passionate, responsive and generally fun. had a great covered BJ with passionate sex in mish and cowgirl with kissing.

cant wait for her to return. Ann if you read this come back to London!
