The Premises:

plush apartment near east croydon station. As i drove i accessed via Addiscombe.

Shared with another girl but never saw her.

The Lady:

Slightly older than im used to but was horny and she sounded flirty on the phone.

Average looking sri lankan with a naughty twinkle in her eye. prob mid 40's just under 5ft.

Bit of a belly but large tits with nice nipples.

The Story:

I have to start off by saying this is a late review as i have been keeping a few favourites under wraps but have to post for the sake of the game.

This review is of the last time i saw her. Saw her 3 times in 2 weeks!

Fantastic massage and sex. Experience counts and she made it count. professional massage which took out the knots in my shoulders, fantastic oral which had my toes curling and originally returned just for that. slow sensual sex which she controlled to perfection.

I cant find her anymore on Vivastreet but if she ever returns i'll be first in the line.
