The Story:

started with sexy lapdance that got me hard then proceeded to great oral without which was really impressive and had me coming hard in a kind of fake come near face type of way.

had massage then went to round 2 which was long session in cowgirl and reverse, then doggy, and she stopped me still hard saying time ran out, which i wasnt happy about but was over time.

none the less i'll be back! she was good and that oral was worth it alone.
