The Story:

I knew that Daniella was new to Ego so wasn't sure what to expect. I needn't have worried as I had a first class experience as is the norm when you go to Ego. Daniella came in to the room just as I had finished showering and looked stunning in her lingerie. Started the massage and was just the perfect touch. Relaxing to start with then gradually got more and more sensual with plenty of caressing attention to undercarriage! Turned over and was gently teased to begin with until lots more oil applied and with her excellent technique Daniella expertly brought matters to a very, very happy ending! Would definitely book again.
