The Premises:

I saw her at previous place in Soho. Flat on red light district near to cinema. Very exposed with people sitting nearby. Not been to new place but hope it more private

The Lady:

Beautiful Thai early to mid 30s. Soft body but curvy and still highly attractive tits and arse.

Speak good English and is very accommodating.

The Story:

As per my recent previous posts this week, another gem I thought deserved a review.

After shower had great owo then me swapping over to eat her out. Was wet and responsive so she climbed on top and rode me until completion. Lots of squishy sounds and biting. She loved it it appeared.

After nice chat and massage round 2 more of same and anal. Took so well in doggy. Memory still stands to this day. Will return very soon
