The Premises:

Her basement flat is easy to find and well located close to the tube station. A very safe neighborhood. Comfortable bed and a serviceable shower and clean towels provided. The flat smelled rather strongly of smoke, which could be an issue for a non smoker going home to a wife or a SO after a tryst at this location. Having said that, I'd like to clarify that Emma herself is a non smoker, so no worries on that score.

The Lady:

Emma is perfect in the looks and build department. In person she was much better than what I expected to see after viewing her photos.

The Story:

Emma does not DFK. This is clear in her profile and would normally be a deal breaker for me. However I was interested in her other talents, and she more than made up for the lack of kissing. This was my first foray into spanking and Emma was very patient and accommodating. To me it was a great turn on that she seemed to genuinely enjoy it. Her deep throat was equally enthusiastic. I had planned for anal, which explains the higher rate. But the intense activities made me pull the trigger earlier than planned :). Maybe next time. Conversation after the events was relaxed and at no point did I feel she was watching the clock. It would be a pleasure to see her again.
