The Premises:

Decent enough flat, easy to find on a safe, fairly busy street, and just a five-minute walk from the nearest tube/mainline station. Basic shower but perfectly ok.

The Lady:

A little older than the pictures might suggest, but Raisa is very attractive, with curves in all the right places. She really has a great figure - a more fuller figure than some of the super-skinny girls out there, but tight and toned in the best possible ways. Romanian (I think?!) and with perfect English.

The Story:

This one was a really lovely GFE. Raisa met me at the door and chatted as if we had known each other for years - totally didn't feel like a first visit. After a quick chat and a shower, Raisa soon stripped out of her tight dress to reveal her considerable assets. I normally remember detail of these visits really clearly but this one was a bit of a blur tbh, although I do know that her BJ technique was great, and she was an enthusiastic partner in a number of positions, with doggy being her speciality I feel.

I had been meaning to visit Raisa for a while ever since meeting her very very briefly when visiting her flatmate Monique at their previous address. The pair together would be a hell of an experience for anyone considering a duo, as both are flirty, confident, friendly and very friendly. If I had to pick one to revisit however, it would be Raisa. She gave the impression that she genuinely enjoyed our brief time together and left me with a huge smile on my face.
