Outcall to my hotel.

The Lady:

She did not look like her photos at all, almost a different girl. Not that bad looking, but not what I was expecting, with few extra pounds and a bit older looking. She was friendly and her English was good, but I just don't understand why so much Photoshop is needed. The session was, however, very satisfying.

The Story:

She came to my hotel room and went first to change. I requested to be dressed sexy as if ready for a party outside on a hot summer night. So, she appeared out of the bathroom with a revealing short lace dress without anything under and killer high heels, which was a big turn on. I must say, lacking in looks was compensated with her performance. She sucked my cock like there is no tomorrow, lots of dribbling and spitting. Then my turn to get my tongue deep into her pussy and she seemed she enjoyed what I had to offer. Once I had it in it didn't take long to finish it all over her. Good that more rounds were allowed, so we could try out few more things and she excel in all of them. Satisfactory visit, but would go for another girl next time.
