Slight confusion since there are two entrances but after speaking with reception it was clear to find the establishment. VERY helpful and polite receptionist x

The Lady:

Pictures on the webpage do not do any justice for Luna. MUST see in real flesh to really appreciate this sexy, attractive, horny, foxy, bubbly lady.

The Story:

Where do i start OMG. She enters the room with her sexy black and blue lingerie with black stockings and high heels looking absolutely drop dead geouges with a sexy smile. Greetings and paper work over with we started to FK standing up in front of the mirror and having my hands all over her sexy firm ass. Boy she blew me away which i mentioned to her and told her i need to lie-down.

She takes her bra off before jumping on me. OMG the breasts she has were perfect and she places them in my mouth. Licking, sucking, and kissing on those breasts whilst squeezing her ass was like being in heaven. Making the most of the other mirror on the other side of the room her ass looked VERY horny rubbing on me with my trousers still on. We FK more with her keep rubbing on me by which this time i had lift off. With her knowing this she placed her hand inside my trousers and stroking it as we FK. It was time to get the trousers off and boy they couldn't have come off quicker. She also took her panties off and lay in spoon position looking over her shoulder straight into my eyes. Appreciating her ass i told her to lay flat on her front so i could have my hands all over that round sexy firm ass. I did have a slight bite on each ass which i was told off but in a nice way x x. I flipped Luna to her side again and started rubbing on that sexy ass whilst kissing her sexy lips and stroking the erected nipples. She kept reaching back and stoking me also. It was time to find out her oral skills. One knee on bed and the other leg standing she places the rubber on which i didn't mind. In a way glad she did because it would of been CIM lol. Having Luna sucking and licking on me i had the opportunity in stroking her breasts and spanking that wonderful ass. I was so turned on i lay her on her back. FK Luna as i entered in her. We where both so turned on the FK was passionate and the heavy breathing of Luna nearly tipped me over. I told her i would like her on all fours in front of the mirror which she replied "You naughty boy" with a huge smile. Boy ohh boy this sure didn't

last that long. Seeing that amazing ass bouncing off me and the ripple effect each stroke and spanking her ass i couldn't hold it in any more. Even after unloading she did not pull away since she new how much i appreciated her ass and still going back and forward very slowly. Waited on me to pull away.

Gents i should not REALLY say this but she is totally amazing in everyway. A great personality very confident lady and a body to die for.

Thank you Luna for a TRULY amazing time, until next time x x
