### The Premises:

Never been to Annabellas before, central Milton Keynes easy to get to, plenty of parking as close to shopping centre

### The Lady:

Wow, just like photos. She is in her 40`s but could easily pass for late thirties. Im a boob man and they are definitely one of the best pairs I have seen.

### The Story:

Felt nervous as my first time there, Dahlia answered and hide behind the door when I got in I was taken back she is a stunner, I knew I was in for a good time. She seemed exited to see me as i'm a little younger than perhaps her regular punters would be. We got into the room and her magnificent boobs where falling out of her top as she was walking around, we started kissing, she then told me I was wearing too many clothes so we stripped off, she then got down on her knees in front of the mirror to give me a great blowjob, i could not wait to taste her and so she got on the bed and my turn to sort her out she told me what a bad boy I was and then she came. The rest of the meet was a switch up of positions, naughty talk (all her) and watching ourselves in the mirror. I was so caught up in the meet that I forgot to ask her to wear the naught maid outfit I had brought for her, but when I got home saw photos of her wearing it on Twitter, my god I was tempted to go back there and then. I hope to maybe see her in it when we meet again
