### The Premises:

Zara-Louise works out of a well presented apartment in the Lace Market area of Nottingham. Plenty of car parking nearby, or easy to get to by the tram as it's only a few minutes from the tram stop. Living room, bedroom and en suite shower all top notch. Discrete buzzer entry, the street outside feels safe.

### The Lady:

Physical appearance is as per the photos on her web site, she told me the photoshoot was done in Autumn 2017 so is an accurate reflection. Slender body with perky petite breasts and very smooth skin, she has a tasteful tattoo down the right side of her torso which can be seen in the photo gallery of her site.

Very genuine beautiful blonde young woman in her early 20s with good people skills, I felt relaxed and at home in her apartment within a few minutes.

### The Story:

Communications prior to the booking were very good. I sent her a message via the booking form on her website with my phone number and Zara replied discretely by text within a couple of hours. We made arrangements for a booking at her apartment later in the week. On the morning I texted to confirm and she sent the street name and postcode, with the number to ring on the buzzer sent when I confirmed I was nearby.

When I arrived at her door she was dressed in the sexy secretary outfit I'd requested and greeted me with a kiss. We sat on the sofa in the living room and had an introductory chat and a drink before she led me into the bedroom. I undressed and asked if she wanted me to shower but she could tell I had showered before I got there so we got onto the bed for some french kissing and caressing. She reached down to my boxers and slid them off, expressing her pleasant surprise at the contents. I said that could be taken as a back handed compliment and we laughed before she pleased me with some very skilled oral.

It wasn't long before I was ready to go but I was enjoying myself so much that I asked for a few more minutes of her pleasurable tongue and she was happy to oblige. Then it was off with the skirt and blouse and on with the condom and Zara climbed on top - I learnt during our chat later that this is her favourite position. She grabbed hold of the headboard as I enjoyed the tightness of her pussy clamping on my dick and she rode me while I enjoyed kissing and caressing her beautiful soft

breasts. It wasn't long before she took me to ecstasy.

We recovered for a few minutes chatting and I enjoyed running my hands all over her beautiful young body, which she seemed to appreciate. I asked if she would like me to lick her pussy and she eagerly agreed. Her pussy tasted divine so I had no problem at all gently pleasuring her with my tongue until her body quivered in orgasm.

Afterwards we returned to the living room for a refreshing drink and a chat which felt so natural considering I'd met her minutes ago. I noticed that it was 5 minutes to the hour and asked if I could take a shower before leaving. A farewell kiss afterwards and I left her apartment with a huge smile on my face.
