The Story:

I e-mailed a week prior to our date and asked her to recommend a cocktail bar in the area where we could start our date before heading back to her apartment. Rebecca replied promptly with a couple of options and confirming that she was free that evening.

For our date I had an office role play in mind and she looked absolutely stunning in a tight pencil skirt, shirt and heels. After a couple of cocktails we made our way to her incall and after a quick shower I suddenly felt like I was back at office and ready to discipline my very incompetent secretary with a bit of an ass spanking...! She then proceeded to bribe me with a phenomenal blowjob in order to keep her job. Rebecca is simply a fantastic actress and made the whole role play very fun and sensual. Her body looked amazing in her black lingerie set with seamed stockings.

This is the second time I've met this lady and I can't wait to see her in the New Year!
