Older than her photos. Slim, blonde, pretty.

The Story:

Cyrus looks cute and innocent in her pictures but is older in the flesh I believe. On her profile it says she's 18, but I think you can safely add about 5/7 years onto that. I am used to this game by now so I'm fully aware they are older than they say they are a lot of the time and edit their photos, but when you are paying for a hot teen, you expect to receive just that. I would like for her to not lie about her age in future, she might get better reviews if she didn't.

Anyway, that being said, I enjoyed my time with Cyrus despite her lack of engagement. I'm going to put this down to inexperience though as she said she is fairly new to this. She was willing to please but quite reserved – I suppose she will improve with time.
