The Premises:

Clean discrete location very close to central MK shopping centre; plenty of cheap parking extremely close. Very obvious numbering on the door and inside was impeccable, plenty of medium size clean rooms with mirrors, beds and a couch.

The Lady:

Pictures do not do her justice. Stunningly beautiful young and British. Breasts are slightly on the smaller size if you are looking for an exceptionally big rack, but hers were perfect for me. Her bum was out of this world and it is a true shame she doesn't offer a levels or rimming as I could have spent the entire punt focusing on that. Posh-ish accent if that turns you on.

The Story:

Laura luckily answered the door and ushered me to the top floor to a free bedroom; as usual, Annabellas are always very well organised and everything was exceptionally discrete and well done. She offered me a glass of water, which I accepted, and within a few minutes she was in the room focusing on me. Conversation flowed easily but we didn't speak for long before our hands were all over each other. She struggled with my belt buckle, so I helped and we continued to undress each other; her bra came off revealing her two perky breasts with cute little erect nipples.

I asked what wasn't allowed and where I could cum - she said no a levels or CIM which I wasn't expecting anyway as per her profile, she said I could finish on her tits, which I was more than happy with.

I asked for oral without and she happily obliged, I laid on the bed and she gave me 5-10 minutes of mindblowing oral. Her technique was second to none, and used plenty of spit which is a must.

I then asked to taste her pussy, so we switched and I teased her slightly by kissing the inside of her legs and brushing my tongue lightly over her little pink pussy. I then started to lick and suck on her clit and she offered some lube for my fingers so I could pleasure her that way too. I think she cummed as she pushed my head away from her as she shivered, but you never can tell for sure.

We then moved onto sex with a condom in three positions; missionary, where I pinned her legs back high and pounded her until she couldn't take the strain on her legs any longer, then she rode me and played with her clit as she did so, I think she was close to cumming again, but I couldn't keep a regular rhythm to allow her too. We finally did doggy for a little while which allowed me to stare in awe at her perfect butt

We finished by her kneeling on the floor naked slobbering over my cock and jacked me off hard and fast with two hands until I blew a huge load on both of her boobs.

I would definitely recommend Laura. She made all the right noises, at the right times, she didn't divert her gaze from me or ever seem uninterested. She gave a high quality service and I hope to see her again!
