The Premises:

Karolina uses a modern apartment very close to the city centre. There is parking nearby. The flat has excellent facilities.

The Lady:

She is a stunning blonde. Physically she is perfect. Her photos on her website are completely accurate. Soft succulent lips, large perfectly formed breasts, smooth firm thighs, she is perfectly tanned all over. I could go on and on. She also has a wicked sense of humour as her green eyes twinkle with mischief. Her English is fluent and she likes a good conversation. However her greatest skills lie elsewhere.

The Story:

The visit is arranged easily and efficiently. After your arrival, you should take a shower (plenty of fresh towels etc) and then the fun can begin. Apart from anal, there appear to be few limits on what Karolina likes to do. She appears to love sex and is very, very good at it. You should let this lady take over and in a few minutes you will be gasping with pleasure for as long as you can take it (which is probably not for very long). She is one of the very best. No, she is the very best.
