The Story:

Alana is a good looking girl but I don't think she's 18 like her profile says. I called her because I wanted a teen this week but I think shes maybe 24 instead? That didn't stop me having a wild time with her though because this girl is a right goer in the bedroom. Her blow jobs are great and she loves to switch positions as much as I do. She also brought out some lube and used that for an awesome tit wank. Asked me if I wanted to finish on them but I said no as I think it cost more. Still, nice little surprise there! Sexy eastern European girl but not as young as she says she is. Still, recommend.
