### The Story:

Danielle was my Christmas present to me courtesy of the Annabellas management as the advent girl today. I phoned at 10:00 to make my appointment and as usual the maid was lovely and sorted me out with my booking. I arrived at 1400 and the maid who is always pleasant and welcoming showed me to the room and offered a drink. Danielle arrived quite soon after and looked stunning. She disrobed and as I stared at her beautiful body she dropped to her knees and made me happy. From there we moved to the bed for some 69. I could have stayed there all day. However after enjoying that, Danielle slipped on the cover and started reverse cowgirl. We moved on to cowgirl and then some doggy. Danielle is a real 360 girl. She looks great from every angle. She also feels good from every angle. Anyway being a fat old codger I struggle to finish and so the cover had to be removed and a little more oral and then some frantic hand work did the trick and I exploded. Danielle was friendly and relaxed throughout the session. Attitude really makes a difference and she made some pleasant noises, not over the top, and responded nicely to my wandering hands. She has a bottom to die for and I loved holding on tightly to it during most of the appointment. Lovely natural breasts too that were lovely to hold and kiss. All in all a very lovely young lady with a fantastic body and a great attitude. As a mature punter, I'm grateful and hope to visit again soon. Thank you Danielle, thanks to the maid and thank you to the management too. A very well run establishment. The advent girl at Christmas is a really nice gesture.
