The Story:

Kaitlin has great blow job skills and is a real animal in the bedroom. She enjoys dressing up which is sexy and even showed up to mind with a nurses outfit on to 'take care of me' ;) The only issue I had with Kaitlin is that she's very skinny and doesn't have many curves at all. My usual type has big tits and a curvy arse, but Kaitlin is just bony full stop. If that's your thing then go for it, but I prefer something to grab onto. Still, had a nice time with her purely for the acts themselves as I believe shes very good at her job and is very willing to please! Could do with eating a burger or two though!
