The Premises:

I meet petite Scarlet for an in-call at her well presented flat in Marylebone. The entrance is discreet, ensuite room is spacious, neat, modern and very well taken care off.

The Lady:

They say that the best perfumes are sold in small bottles, and yes Scarlett is a tiny young girl, but boy what a sex bomb she is, super slim and very sexy, at the same time, intelligent and great to talk to.

The Story:

At the arrival to her flat she greeted me with a smile and offered the drink, we had a brief, but interesting chat and then got into action. In a nutshell, she is excellent; oral was fantastic, she loves toys and is a great kisser. Scarlet was loads of naughty fun and is very enjoyable between the sheets. She dressed as requested as a school girl and made perfect naughty roleplay for me. CIM for extra, but that was fine and was mention that service is provided with a bonus. Loved it and will be back.
