The Story:

In short, a very enjoyable half an hour.

Aylin came into the room within a couple of minutes of my arrival and initiated chit chat while I undressed. I could sense that she's shy by nature but seemed far more relaxed with me towards the end of our time together with the ice well and truly broken by the intimacy between us.

In between was lots and lots of fk. She'd obviously worked out that this is something I like doing as she instigated it at least as much as I did which really impressed me. I also enjoyed owo and intercourse (covered) in a variety of positions mostly those which enabled concurrent fk. The conclusion was by hand and unsurprising was a very powerful one.

She initiated more chit chat as I dressed to leave and saw me off with wishing me the complements of the season demonstrating that she's well mannered and truly nice by nature.
