The Premises:

Clean flat. Safe parking in Sainsburys. Only problem intercom not working properly, so she had to come and open door, which was good, because I always think its sexier to see a girl in civilian clothes, which were jeans and a top, and then see them stripped off to their underwear and stockings.

The Lady:

4 foot 11, perfectly proportioned, slim, pretty, long blonde hair, very well turned out, hair, nails, lipstick.

Really sexy, got hard looking at her.

The Story:

You're are in for a great time if you see Sarah. It is an experience having Sarah sit on your co co bouncing up and down. She loves her job and she came twice. One of the best punts ever. She is enthusiastic, friendly, great kissing, oral, fucking, eye contact and a good massage to end the hour.
